

## **REMARKS**

In response to the Restriction Requirement of October 30, 2008, applicants elect Group III and claim 7 for further prosecution in this application. Claim 7 has been amended to delete reference numerals and to place it in more traditional U.S. format.

Method claims 1-4 and 8 have been retained as "withdrawn" claims because they each include a "jig" and more particularly the jig of claim 7. Thus applicants would like to consider the possibility of rejoining some or all of these claims if and when a claim to the jig is found to be allowable.

Claims 5 and 6 drawn to a reaction rod have been cancelled.

Examination of claim 7 is requested.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
